

Christmas transport schedule 2023

Dear Customers,

we would like to inform you in advance about the changes in operations during this year's Christmas holiday. We would like to draw your attention in particular to the days from 27 to 29 December 2023, when there will be a significant reduction in the network operations.

Scheduled services using the international System Freight might be limited from the 20st of December 2023 to the 5nd of January 2024 and furthermore during the Three Kings Day holiday period. Please take this information into account when planning your transport at the end of this year.
